

REMARKS

A substitute specification has been submitted herewith. Both clean and marked-up copies are provided. In the substitute specification, the strikethrough term “a” has been deleted before “radial wear” in paragraph [0005]. In the second line of paragraph [0015], “plates history” has been replaced with “history of the plates”. No new matter has been added to the specification.

Applicant respectfully submits that the specification has been amended in compliant form. Early and favorable action is earnestly solicited.
